## ELECTIVE DESCRIPTIONS AND REQUIREMENTS

<p><b>Concert Band I (Y)</b> <i>(Intended for students with <u>no</u> experience in band)</i></p>	<p>Do you want to learn to play a musical instrument? Try out a clarinet, flute, or drums! Make new friends as you attend required before or after school practices as you prepare to perform your new musical talent for others! A minimal cost is required for a cool band shirt and renting or purchasing your new instrument of choice.</p>
<p><b>Concert Band II (Y)</b> <i>(Prerequisite: attending summer band camp or having previous experience in a band class)</i></p>	<p>Students with band experience or who attended summer band camp can become part of the GCJ advanced band program. Before or after school practices are required. A minimal cost is required for a cool band shirt and renting or purchasing your new instrument of choice.</p>
<p><b>Chorus (Y)</b></p>	<p>Do you love to sing? Do you want to be a part of a Glee club? Try out chorus! A great way to learn more about singing! Learn how to perform in front of an audience. You will attend some before and after school rehearsals in preparation for a performance or two to show off your vocal talents.</p>
<p><b>Business Keyboarding (S)</b></p>	<p>The best course you will ever take! This class will give you a skill that you use every day! Learn how to type fast and efficiently! Students will also learn proper formatting for reports and class assignments.</p>
<p><b>Exploring Family and Consumer Science (S)</b></p>	<p>This class offers a variety of hands-on projects designed to teach students food preparation and nutrition, fashion, interior design concepts, sewing, personal finance, healthy relationships and child development.</p>
<p><b>Art (S)</b></p>	<p>Become an artist! Draw, paint and escape into the world of art! You will learn more about various artists and have the opportunity to produce a variety of art projects.</p>
<p><b>Physical Education: Gym (S)</b></p>	<p>Love sports or just want to get fit? Join a PE class where students are provided with instruction on rules, skills, and strategies associated with the different sports as well as learning physical conditioning activities and physical activities that promote lifelong physical fitness.</p>
<p><b>Physical Education: Personal Fitness (S)</b> <i>(Prerequisite: must take Physical Education: Gym 1st semester)</i></p>	<p>Want to be stronger, faster and get in shape? This class will provide students with an opportunity to create a personalized fitness plan by incorporating overall body conditioning through the use of cardiovascular conditioning, weight &amp; strength training, stretching, plyometrics, and more.</p>
<p><b>CVA Lab (S)</b></p>	<p>Want to get a jump on your high school graduation requirements? Take an online class here at school in our CVA Lab. Students earn high school credit and complete their online course requirement for high school.</p>
